The above-captioned matter is set on June 11, 2014 before this Court for sentencing. The parties named above jointly request that the Court continue the matter to the Court's July 11, 2014 calendar because the parties would like additional time to prepare this matter for sentencing.

Defendants pleaded guilty in the Spring of 2013 to a misdemeanor information charging each of them with conspiracy to commit unauthorized access of a government computer. The sentencing date was continued until June 2014 because this case was related to the indictment in *United States v. Susan Su*, CR 11-00288-JST. A federal jury convicted Ms. Su in late March, and she is currently scheduled to be sentenced in September 2014.

The four defendants named above request additional time to prepare for sentencing. Additionally, defense counsel for Mr. Dasa is unavailable from June 2 through June 20, 2014 and unavailable to appear at the currently scheduled sentencing date. For these reasons, the parties agree that it is appropriate to continue the sentencing hearing date to July 11, 2014. The probation officer assigned to this case, Jessica Goldsberry, has no objection to this request and a probation officer is available to appear on the requested date.
